Amur 1 81-28 I understand that there was a proposal some time back to reduce to writing the mamool to be followed on different occasions by the chief Muzrai temples in the State. I believe that ~~the Second Member~~ ~~when he~~ ~~as the Muzrai~~ ~~Commissioner~~, ~~actually formulated certain~~ proposals in this respect. It would appear that it is the practice in certain temples, e.g., Melkote, Nanjangud, to note the details of the arrangements followed in all important matters on important occasions and that such a record has been maintained for long periods. If this record is printed, it would go a long way to serve as a guide in settling doubts and disputes regarding the mamool to be followed on different occasions. If there are any papers on this subject in the Secretariat, they may be put up; and if it is a pending question, its present stage may be noted.

Muz 181-28

SIR,

With reference to your letter No.995/Muz.181-28-2 dated 24th November 1928 in the matter of reducing to writing the mamool to be followed on different occasions in the important Muzrai temples in the State, I have the honor to state that it has not been taken up in respect of all the important temples in the State. In connection with the observances in the Sri Narayanaswami temple at Melkote, the present Second Member of Council Mr. C.S.Balasundaram Iyer when he was the Muzrai Commissioner requested the Deputy Commissioner of the Mysore District to send up proposals for the preparation of a ----- manual for use in that temple detailing the time at and the manner in which the daily observances as well as hetchukatle services have to be carried out so that they may go on automatically without giving room for any deviation and consequential delay in the function, --- besides vexatious complaints.

2. On the recommendation of the Deputy Commissioner, the deputation of Mr. A. Nanjappa for the preparation of a manual for the Melkote --- temple detailing the several nityakatle and hetchukatle services therein was sanctioned in Government Order No.2032-3/Muz.307-26 dated 16th ---- April 1927. The manual which is reported to have been carefully --- compiled by reference to temple Sha-amals and other old records has -- been referred to the Sub Division Officer for scrutiny by a committee of local people as directed in your O.M. dated 26th July 1927. The Deputy Commissioner has separately been requested to expedite its submission.

3. It is learnt that in all important temples, e.g. Seringapatam Nanjangud, Chamarajnagar and Belur, the details of every day ------ observances - whether ordinary or extraordinary - are recorded in the form of Sha-amal diaries and the practice has been in vogue from time immemorial. It is upon the basis of these Sha-amal diaries that knotty questions connected with mamool mariyades, vested --- rights of individuals etc., are often decided and as such a ------ compilation in the form of a manual will not only standardise the observances but will also avoid occasions for vexatious complaints- as observed by Mr. Balasundaram Iyer.

4. I beg therefore to recommend that an experienced Muzrai --- official or a retired gentleman with special knowledge may be --- deputed for this work for a period of 6 months on a salary of ---- Rs.80/- or 100/- the charge being met from the funds of the temples in respect of which the compilations are made.

5. I solicit the favour of Government orders in the matter.

I have the honor to be,

Sir,

Your most obedient servant,

/ [illegible] /

Muzrai Commissioner.
